1. SYSTEM ARCHITECTURE & FEATURE MATRIX

Satish Photography & Studio is built on Next.js 15, React 19, Tailwind CSS, and Firebase Realtime Database. The platform delivers instant zero-latency synchronization between the Admin Control Center (/admin) and all public visitor pages. Below is the complete feature matrix detailing public presentation vs. administrative management capabilities.

Website Component	Public Visitor Experience	Admin Control Capabilities (/admin)
Hero Slideshow	Auto-sliding multi-banner carousel with gold motto ('CAPTURING MOMENTS. CREATING MEMORIES.') and dual CTAs.	Upload unlimited slide photos, edit text (eyebrow, title, subtitle, CTA text/link), add/remove slots.
Why Choose Us	Trust rating badge ('Trusted by Happy Couples'), studio story, 12+ years experience stats.	Edit badge text, main heading, and story paragraph live.
Services Page (/services)	7 detailed service cards with descriptions, 3-photo showcase grids, and direct 'Book Now' triggers.	Add/Edit services, upload showcase photos, and pre-select session types in the booking form.
Gallery Portfolio (/gallery)	Interactive 9-category filter tabs (Wedding, Pre-Wedding, Engagement, Bridal, etc.) with Lightbox.	Upload photos with category tagging, edit titles, and delete photos instantly using  Trash button.
Pricing Packages (/pricing)	Tiered plan cards (Basic, Deluxe, Premium) with itemized features and visual dark highlight cards.	Edit package titles, set prices, edit bullet lists, set featured flags, add or delete packages.
Testimonials (/testimonials)	5-star review cards with client names, role tags, and feedback quotes.	Add client reviews, assign star ratings, edit reviews, and delete entries.
Booking & Inquiries (/booking)	Form with event date picker (dd-mm-yyyy), session dropdown, and direct Call/WhatsApp actions.	View booking leads in real time, launch direct Call (+91 7997634562) / WhatsApp outreach, and delete entries.

2. STEP-BY-STEP GUIDE: HOW TO CHANGE TEXT ON ANY PAGE

All website text can be edited live from the Admin Control Center without touching any code:

2.1 Changing Hero Banner Text (Headline, Subtitle, CTA Buttons)

- Step 1** Log into the Admin Control Center at <http://your-website.com/admin>.
- Step 2** In the left sidebar, click **Homepage Builder** (/admin).
- Step 3** Locate the **Hero section** box at the top.
- Step 4** To change the small top badge, edit the **Eyebrow** input (e.g. 'CAPTURING MOMENTS. CREATING MEMORIES.').
- Step 5** To change the main heading, edit the **Title** input.
- Step 6** To change the descriptive paragraph, edit the **Subtitle** text area.
- Step 7** To change button text or link, edit **Primary button** (e.g. 'Explore Stories') and **Primary link** (e.g. '/gallery'). Text updates automatically saved to Firebase in real time!

2.2 Changing 'Why Choose Us' Badge & Description

- Step 1** Scroll down to the **Why Choose Us** section card in /admin.
- Step 2** Edit the **Badge** text (e.g. 'Trusted by 500+ Happy Couples').
- Step 3** Edit the **Title** (e.g. 'WHY COUPLES CHOOSE US?').
- Step 4** Edit the **Description paragraph** text area to update studio history.

2.3 Changing About Section Story & Experience Statistics

- Step 1** Scroll to the **About section** card in /admin.
- Step 2** Edit **Stat** (e.g. '12+ Years') and **Stat label** (e.g. 'of human stories').
- Step 3** Edit the **Body paragraph** to update the studio intro.

2.4 Changing Pricing Package Titles, Prices & Feature Bullets

- Step 1** Go to **/admin/pricing** (or the Pricing box in /admin).
- Step 2** To edit an existing package, click **Edit** on that package card.
- Step 3** Update the **Title** (e.g. 'Premium Wedding Package') and **Price** (e.g. **■45,000**).
- Step 4** In the **Features** text box, type each feature on a new line or separated by commas (e.g. 'Full Day Coverage, 2 Photographers, Drone Footage, 350+ Retouched Photos').
- Step 5** Click **Save package**. The public /pricing page updates immediately!

2.5 Changing Client Testimonials & Reviews

- Step 1** Go to **/admin/testimonials**.
- Step 2** Click **Edit** on any review card.
- Step 3** Update the **Author Name** (e.g. 'Ananya & Karthik'), **Role/Location** (e.g. 'Hyderabad Wedding'), and **Review Body** text.
- Step 4** Click **Save testimonial**.

3. STEP-BY-STEP GUIDE: UPLOADING IMAGES TO DIFFERENT CRITERIA

Uploading images to the website is categorized into 4 distinct criteria. Follow the exact step-by-step procedure for your specific goal:

3.1 CRITERIA 1: Uploading Portfolio Photos to Specific Categories (Wedding, Pre-Wedding, etc.)

Use this workflow to add client photos to the public Gallery and Services Page showcase grids.

- Step 1** In the left Admin Sidebar, click **Gallery** (URL: `/admin/gallery`).
- Step 2** Locate the **Upload New Photo** box at the top of the page.
- Step 3** In the **Photo Title** input, type a descriptive name (e.g. *'Royal Mandap Sunset Vows'*).
- Step 4** Click the **Category** dropdown menu and select the exact matching criteria:
- **Wedding:** Appears on Gallery (Wedding tab) & Services Page (Wedding Photography card).
 - ♥■ **Pre-Wedding:** Appears on Gallery (Pre-Wedding tab) & Services Page (Pre-Wedding card).
 - **Engagement:** Appears on Gallery (Engagement tab) & Services Page (Engagement card).
 - **Bridal:** Appears on Gallery (Bridal tab) & Services Page (Bridal Portraits card).
 - **Celebrations:** Appears on Gallery (Celebrations tab) & Services Page (Birthday & Family Celebrations card).
 - **Maternity:** Appears on Gallery (Maternity tab) & Services Page (Maternity & Baby card).
 - **Videography:** Appears on Gallery (Videography tab) & Services Page (Cinematic Videography card).
 - **Others:** Appears under All Stories tab in Gallery.
- Step 5** Click the **Upload Photo** button. A file picker window will open.
- Step 6** Select your high-resolution image file (JPG, PNG, WEBP) from your computer or phone.
- Step 7** Wait 2-3 seconds for Cloudinary upload to complete. The image will automatically appear live on the public website under that category!

3.2 CRITERIA 2: Uploading Background Banner Images to Hero Slideshow

- Step 1** Navigate to `/admin` (Homepage Builder).
- Step 2** In the **Hero section** box, scroll to the Hero image slots grid.
- Step 3** To change an existing slide photo, click **Upload photo** under that slot, or click **Select existing** to choose an already uploaded photo.
- Step 4** To add a new background slide, click the **+ Add another hero slide** button at the bottom of the grid.
- Step 5** Select your banner image file. The slideshow auto-plays across all uploaded slides dynamically!

3.3 CRITERIA 3: Uploading Featured Photos to Homepage Preview Grid

- Step 1** In `/admin`, scroll to the **Gallery section** box.
- Step 2** Under any slot, click **Upload photo** or click **Select existing** to feature a portfolio photo.
- Step 3** To add more homepage preview slots, click **Add gallery image slot**.

3.4 CRITERIA 4: Uploading About Studio Feature Cover Photo

- Step 1** In `/admin`, scroll to the **About section** box.
- Step 2** Locate the **About section image** slot card.
- Step 3** Click **Upload photo** and select your studio cover image.

4. STEP-BY-STEP GUIDE: HOW TO DELETE CONTENT ACROSS ALL MODULES

Every module includes explicit delete actions to keep your website content and client lead database clean:
